

SUNRISE SERVICE

Usual Easter Event at the Christian Church

For the ninth consecutive year, the Sunrise Easter Service will be held in the Christian church as a Community event on Easter Sunday.

With its flowers and its song, its music by choir and by birds, its luncheon, it will be similar with those which have gone before in increasing interest year by year.

Easter Sunday will be on April 5 this year and the Sunrise is officially announced as at 5:39 o'clock, and all will look forward to it as the apex of the Christian year. It is already foreseen that there will be a greater wealth of floral decorations than heretofore. The music, vocal and instrumental, will be in general charge of Mrs. Calvin Kent, the organist of the First Christian church, who will draw from all the other churches of the city. Singing canaries will be brought to the church as heretofore by their owners.

Rev. Lindsey has announced that the usual Easter breakfast will be served in the church basement following the song service.
